UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Vaelii Clifton Taliaoa,

Petitioner

v.

Jeremy Bean, *et. al.*,

Respondents

Case No.: 2:24-cv-01853-JAD-BNW

**Order Granting Unopposed
Motion for Extension of Time**

[ECF No. 10]

Counsel for petitioner moves for a 90-day enlargement of time to file an amended petition, noting that the record in this case is voluminous, an investigator was recently assigned and is only beginning his work, and that additional time is needed to complete counsel's review.¹ This is petitioner's second request for an extension of this deadline. With good cause appearing, IT IS HEREBY ORDERED that the motion for extension of time [ECF No. 10] is **GRANTED**. **Petitioner has up to and including August 6, 2025, to file his amended petition.**

Dated: May 18, 2025

U.S. District Judge Jennifer A. Dorsey
